GVWR: 26,000 lbs (No CDL required)

Measurements: 38.11'L x 8.5'W x 12.8'H (Interior 7'H)

Owner's General Assessment: *"The generator and engine have been well maintained. Per recent inspection, the vehicle mechanics are in good and sound condition. This vehicle has been a workhorse for us. However, we have two mobiles and now only need one and thus, we want to find this mobile clinic a new home".*
